- **7/13/2021** Style Revue & State Fair Awards Program - 7:00 p.m. at Church of the Saviour, Wooster. Family & friends are invited to see 4-H members model their clothing projects. - **8/10/21** “Last Chance” Project Judging - 6:00 - 9:00 p.m. at Wayne County Fairgrounds. For members not interested in or unable to participate in the “Early Bird” judging event.

*Members are encouraged to try all recipes in the project book at least once. After trying all the recipes in the project book, members are encouraged to try variations, even be creative and develop their own variations of recipes in the book. For judging purposes, members may use recipes not printed in the project book. However, to ensure that similar ingredients and preparation techniques are being evaluated, a recipe used as a substitution MUST be very similar to a recipe in the project book. For example, in the Star Spangled Foods project, a member may substitute another Snicker doodle recipe for the one in the book, but may not substitute Chocolate Chip or Peanut Butter cookies for the Snicker doodles. Remember, the quality of the food only counts for 10% of the overall evaluation rating. The member’s knowledge of basic nutrition and the information in the project book counts for 75% of the rating. If the recipe used for judging is not printed in the member's project book, it should be written on a recipe card.

Members complete a poster or e-poster for project for county judging. If a member receives the opportunity to compete at the State Fair, they must prepare a Presentation Folder to compete.

Presentation Folder – prepare a 3-pronged folder that includes one 8½” x 11” page (one-sided only). These pages could be in collage, journaling, timeline, photo, or any other format that would illustrate your work and knowledge of your project. There will be no points for scrapbooking style.

7/8/2021  Project Judging - 5 - 9 p.m. at the Wayne County Fair Event Center. To be eligible for State Fair selection, members must participate in this event.

7/13/2021  Style Revue & State Fair Awards Program - 7:00 p.m. at Church of the Saviour, Wooster. Family & friends are invited to see 4-H members model their clothing projects. Outstanding Exhibitor Award winners and State Fair representatives in all State Fair eligible FCS & Still project areas will be announced at this event.

8/10/21  “Last Chance” FCS Project Judging - 6:00 - 9:00 p.m. at Wayne County Fairgrounds. For members not interested in or unable to participate in the “Early Bird” judging event.

*Members are encouraged to try all recipes in the project book at least once. After trying all the recipes in the project book, members are encouraged to try variations, even be creative and develop their own variations of recipes in the book. For judging purposes, members may use recipes not printed in the project book. However, to ensure that similar ingredients and preparation techniques are being evaluated, a recipe used as a substitution MUST be very similar to a recipe in the project book. For example, in the Star Spangled Foods project, a member may substitute another Snicker doodle recipe for the one in the book, but may not substitute Chocolate Chip or Peanut Butter cookies for the Snicker doodles. Remember, the quality of the food only counts for 10% of the overall evaluation rating. The member’s knowledge of basic nutrition and the information in the project book counts for 75% of the rating. If the recipe used for judging is not printed in the member’s project book, it should be written on a recipe card.

*M*Members are encouraged to try all recipes in the project book at least once. After trying all the recipes in the project book, members are encouraged to try variations, even be creative and develop their own variations of recipes in the book. For judging purposes, members may use recipes not printed in the project book. However, to ensure that similar ingredients and preparation techniques are being evaluated, a recipe used as a substitution **MUST** be very similar to a recipe in the project book. For example, in the Star Spangled Foods project, a member may substitute another Snicker doodle recipe for the one in the book, but may not substitute Chocolate Chip or Peanut Butter cookies for the Snicker doodles. Remember, the quality of the food only counts for 10% of the overall evaluation rating. The member’s knowledge of basic nutrition and the information in the project book counts for 75% of the rating. If the recipe used for judging is not printed in the member’s project book, it should be written on a recipe card.

Members complete a poster or e-poster for project for county judging. If a member receives the opportunity to compete at the State Fair, they must prepare a Presentation Folder to compete.

**Presentation Folder** – prepare a 3-pronged folder that includes one 8½” x 11” page (one-sided only). These pages could be in collage, journaling, timeline, photo, or any other format that would illustrate your work and knowledge of your project. There will be no points for scrapbooking style.
