We want to thank the Showman of Showmen committee members who helped put today's show together. We would also like to say a special thanks to all the livestock committees that helped organize the animals and run the show. The Wayne County Fair would not be what it is without the volunteers who work endless hours behind the scenes.

Each showman will have the opportunity to represent their species in the Showman of Showmen Contest. These showmen have worked so hard to be in this show today! Congratulations to each of them for earning their spot in the show and good luck to each showman!

***Enjoy your
Third Annual
