## What’s the income limit for SNAP (food stamps)?

Food Assistance (formerly known as the food stamp program) is known nationally as the

Supplemental Nutrition Assistance Program (SNAP) and is administered locally by Wayne County Department of Job and Family Services. The SNAP program helps families by supplementing their income and helping them buy nutritious food. Benefits are distributed on a “Ohio Benefits Direction Card”. The benefit card is an easy way for eligible participants to access food assistance. It works like a debit card at participating grocery stores.

Use the chart below to find out whether your household makes less than the **gross monthly income limit**.

**Net income** factors in deductions and taxes, which is a complicated process. So, if your household income is under the gross limit, you should **apply** to figure out whether it’s within the net limit.

Effective from October 1, 2019 through September 30, 2020.

Household size	Gross monthly income limit*	Net monthly income limit	Max benefit
1	\$1,354	\$1,041	\$194
2	\$1,832	\$1,410	\$355
3	\$2,311	\$1,778	\$509
4	\$2,790	\$2,146	\$646
5	\$3,269	\$2,515	\$768
6	\$3,748	\$2,883	\$921
7	\$4,227	\$3,251	\$1,018
8	\$4,705	\$3,620	\$1,164
Each additional member	+ \$479	+ \$369	+ \$146

\* If your household includes an elderly (60+) or disabled person, a higher gross income might still qualify.
