

Attention Junior Leaders!

If the registration was already full when you attempted to register for our JL November meeting, we are offering a Zoom link so that you will still be able to attend the part of our program where we elect our officers and brainstorm the events we will be planning for each month. This link will become active around 7:45 pm on November 2, the time that we plan to begin the business portion of the meeting. There is no official waiting list for the in-person meeting - if anyone who had registered doesn't come to the meeting, unregistered participants will then be placed on a first come wait list at the event check-in. There is no guarantee that people will no-show, so please do this at your own risk and understand that we must limit attendance to 45 members for the in-person meeting.

Following is the Zoom link for the meeting:
