

Better Lives. Stronger Communities.

Free Programs For Your Enjoyment In the Grange Rotunda

MONDAY, SEPTEMBER 11

11:30 a.m. Smoothie Bike - OSU Extension

Pedal your way to a delicious, nutritious smoothie on our blender bike!

12:30 p.m. SMART START - Melinda Hill

Learn about the importance of financial literacy for preschool age kids

2:00 p.m. Nuno Felting - Frances Whited

Nuno Felting is the process of felting wool fibers into silk fabric. It's a creative textile technique with an element of surprise—you never really know how the finished textile is going to look, because the raw materials introduce an element of unpredictability.

3:00 p.m. Smoothie Bike - OSU Extension

Pedal your way to a delicious, nutritious smoothie on our blender bike.
