IMPORTANT DATES

Ask your project or organizational advisor or call the Extension office (330-264-8723) for more information about the following events.

7/11/2023	Project Judging - 6 - 9 p.m. at the Wayne County Fair Event Center. To be eligible for State Fair selection, members must participate in this event.
7/18/2023	Style Revue & State Fair Awards Program – 7 p.m. at Shisler Center Ballroom – OSU Wooster Campus. Family & friends are invited to see 4-H members model their clothing projects. Outstanding Exhibitor Award winners and State Fair representatives in all State Fair eligible FCS & Still project areas will be announced at this event.
8/8/2023	Late FCS & Still Project Judging – 6-9 p.m. at Wayne County Fair Event Center. For members not interested in or unable to participate in the Early judging event.

*Members are encouraged to try all recipes in the project book at least once. After trying all the recipes in the project book, members are encouraged to try variations, even be creative and develop their own variations of recipes in the book. For judging purposes, members may use recipes not printed in the project book. However, to ensure that similar ingredients and preparation techniques are being evaluated, a recipe used as a substitution **MUST** be very similar to a recipe in the project book. For example, in the Star-Spangled Foods project, a member may substitute another Snicker doodle recipe for the one in the book but may not substitute Chocolate Chip or Peanut Butter cookies for the Snicker doodles. Remember, the quality of the food only counts for 10% of the overall evaluation rating. The members knowledge of basic nutrition and the information in the project book counts for 75% of the rating. If the recipe used for judging is not printed in the members project book, it should be written on a recipe card.

Members complete a poster or e-poster for project for county judging. If a member receives the opportunity to compete at the State Fair, they must prepare a Presentation Folder to compete.

Presentation Folder – prepare a 3-pronged folder that includes one 8½" x 11" page (one-sided only). These pages could be in collage, journaling, timeline, photo, or any other format that would illustrate your work and knowledge of your project. There will be no points for scrapbooking style.
