90. Fun Fun Show

Reasoning for Show Bill changes:

Following documenting ending times from fair the last couple years, the revamp of the schedule allows for short days and more availability of volunteers. Riders will be able to show their horse more and be able to show more animal species at the fair.

We propose moving gymkhana classes to Saturday to allow for ease of exhibitors to show with the Wayne County Saddle Club Show.

Sunday will be an all-day show filled with Showmanship to match the other species and allow it to be easier for the exhibitors to prepare for the show and showman of showman.

Monday and Tuesday continue with combining juniors and seniors in the show to help parents that have multiple children showing.

Dressage day is the same schedule moved up a day

Versatility was moved to Thursday to allow for more exhibitors to show in the class with a more open schedule in case of having to move a show due to weather.
