

Wayne County 4-H Open House

Monday February 27, 2017
6:00 – 8:00 pm
Fisher Auditorium, OSU Wooster Campus

Table / Display Sign Up Form for Clubs and Committees

Parents and youth are invited to drop in to learn more about 4-H, get connected with a 4-H club, learn more about club meetings and activities. We also want them to check out some of the 200+ hands-on, fun, and educational projects 4-H offers, Learn about showing animals and exhibiting projects at the Wayne County Fair, and learn more about activities available at 4-H Camp.

4-H clubs and committees are encouraged to sign up for a table / booth / display area. You can use this as an opportunity to recruit new club members, help potential members learn about projects available and what is expected or recommended to be successful in completing the project, and promote any upcoming clinics or events your club or committee may have planned for this year.

Please return the bottom portion of this page by Tuesday February 21st to the Extension Office or call the Extension Office to reserve a space for your club or committee at the 4-H Open House.

4-H Open House Table / Display Sign Up Form

Club or Committee Name: _____
