Dear Potential 4-H Club Leader:

Thank you for your interest in beginning a new 4-H Club in Wayne County. Community Clubs are an important part of the Wayne County 4-H Program, involving more than 1,500 youth each year.

A well run 4-H club has the potential to make a life-long positive impact on youth. Through 4-H youth have the opportunity to meet new people, build new skills, and discover more about their own interests and abilities. There are approximately 45 4-H clubs in Wayne County, and if you surveyed them all you would probably find 45 different ways of leading and managing the clubs. However, all *successful* clubs have a few things in common.

1. Clubs are lead by *caring* adult volunteers, who are there to help the youth accomplish their own goals (and not just the goals of the leaders).
2. Club advisors provide *organized* leadership, ensuring that all families have the information they need to fully participate and benefit from club, county, and state opportunities.
3. Members have a *key role* in making all club decisions, including those about learning activities, community service projects, and club structure.

The information in this packet describes the basic process of starting a new 4-H Club. Please review the information carefully, paying special attention to the deadlines listed on the back page. You are not expected to navigate this entire process on your own, and as a matter of fact, you cannot. You will need the help of Extension staff with many of the steps. This packet serves merely as a guide and not as a do-it-yourself kit. The staff members at the OSU Extension Office are committed to helping our volunteers succeed and provide assistance with the process of beginning new clubs. Please always feel free to call with questions or concerns.

Please note that the very first step in beginning a new club is being approved as a 4-H volunteer. Maintaining the integrity of our program and the safety of our youth are our highest priorities. Please help us to do so by refraining from working with youth until after this screening and approval process has been completed.

Sincerely,

Douglas S. Foxx
Extension Educator,
4-H Youth Development

Step 1: Volunteer Screening & Selection:

New Clubs require at least 2 screened, approved adult volunteers. All OSU Extension volunteers must complete a volunteer screening & selection process before they begin volunteering in any capacity.

This process includes:

- ✦ Written Application
- ✦ Volunteer Standards of Behavior Form
- ✦ Criminal History Fingerprint Background Check
- ✦ Review of References
- ✦ Personal Interview
- ✦ Orientation and/or Training

Potential new volunteers may begin this process by contacting the OSU Extension Office for an application packet. Please note that it can take several weeks to complete this step, so please plan ahead and start early.

Important Note: Until Step 1 has been completed, you cannot begin the other steps. ALL volunteers must complete the screening and training process before they can begin to work with youth.

Step 2: Members

All clubs must have at least 5 members from at least 3 different families. New club advisors are often aware of a need or interest for the new club before beginning the process, but *cannot* enroll members until they are notified that their volunteer process has been completed.

Please note that youth are not official members of the club until the enrollment process has been completed.

Step 3: First Meetings

Sometimes this first meeting is scheduled before the minimum five members have been recruited. This is okay, provided you continue to recruit members before the enrollment deadline.

Usually the first couple organizational meetings are informal, because a constitution has not yet been adopted and officers have not been elected. This is the one time it is okay for the adult advisors to operate the meeting without youth officers. It is still expected that youth participate in all items of business. Remember, 4-H Clubs belong to the members.

At these first meetings, club members can begin discussing a club name, provide ideas for club activities, and decide on future meeting dates.

Step 4: Select a Name and Submit to OSU Extension for Approval

Please refer to the fact sheet, "Choosing a 4-H Club Name" at the end of this document for guidelines.

Step 5: Adopt a Club Constitution and By-Laws

All 4-H clubs must adopt a constitution before members can be enrolled. Ohio 4-H has a template for club constitutions, so this process is as easy as filling in a few blanks and having members vote to accept the constitution. A copy of this constitution has been attached. However clubs should provide an official copy with their club name entered for members to approve and sign. There are very few changes which can be made to a club constitution. All members should then sign the constitution and receive a copy including new members who join at a later date.

By-laws are optional, and can be completed at any time after the constitution is adopted. By-laws are where clubs can include specific rules such as attendance policies, community service requirements, special officer positions or other rules. If by-laws are adopted they must be signed by members and submitted to the Extension Office to be added to your official constitution. Please see the attached sample By-Laws.

Step 6: Apply for an EIN Number from the IRS

All 4-H Clubs are required to apply for an EIN (Employer Identification Number) from the IRS.gov website. 4-H clubs are legal organizations with their own EIN number. All clubs are required to obtain an EIN number before they can receive a charter or enroll members, even if they do not plan to handle money. The Extension Office will file your club's annual 990N e-postcard.

The easiest way to apply is online. If you do not have internet access, you can arrange to use a computer at the Extension Office. ***Instructions for obtaining an EIN are available on-line at <http://go.osu.edu/einhelp>.***

Step 7: File Your Group Exemption Form with Ohio 4-H

Once you have your club's new EIN number, complete the Group Exemption Authorization form (attached) and return to the Wayne County Extension Office. We will submit this form to the State 4-H Office, once your charter has been approved. (See step 8)

Step 8: Begin the 4-H Club Charter Process (Due March 1st)

There is a simple charter application and check-list which must be completed each year. This club charter is the final obstacle to being approved as a club. Please see the attached club charter form.

Step 9: Enroll Members and Volunteers in 4-HOnline and Pay 4-H Activity Fee (Due April 1st)

Once your charter has been approved, you may obtain a enrollment packet from the Extension Office. This packet will contain information and instructions for enrolling members and volunteers in 4-HOnline, additional forms needed by the Extension Office, project guidelines, details about the 4-H Activity Fee, and information about spring and summer events. All 4-H youth and volunteer enrollments are due in 4-HOnline by April 1st and all activity fee payments for your club members are due to the Extension Office by April 1st.

Overview of Requirements & Deadlines for New 4-H Clubs

By March 1st:

Contact the Extension Office about your interest in starting a club to obtain information and guidelines.

New Clubs must apply for a 4-H Charter prior to March 1st. Club enrollment packets will not be distributed until clubs have met all of these requirements for a pending charter:

- ◇ A completed and charter application checklist
- ◇ Completed volunteer screening for at least two adult leaders (takes a *minimum* of 6 weeks)
- ◇ An approved club name
- ◇ An EIN number from the IRS
- ◇ A completed 4-H Group Tax Exemption Authorization form

April 1st:

All clubs must submit youth and volunteer enrollments online through 4-HOnline web-portal and pay Activity Fees to the Extension Office by April 1st.

So you want to start a 4-H Club?

Membership

Forming a 4-H club means you will need interest from at least 5 project-eligible members from 3 or more families. More members are preferred so you start from a firm foundation.

Leadership Team

Don't go it alone! Recruit adult supporters who communicate effectively and are committed to the program. Who complements your leadership style? Who brings additional strengths to make up for your weak points? Set a goal to always have at least 1 certified 4-H advisor for every 8-10 youth. Starting a club with only one advisor is not permitted.

Logistics

Once you have solid interest from potential members and a good advisor or two to help you out, contact your local Extension office. You will first need to complete the volunteer certification and training process which usually takes 1-3 months. From there you will enjoy a New Club Orientation training where you will learn about everything it takes to be a long-lasting, high-quality 4-H club!

Sneak Peek: What does a great club look like?

- ✓ 10+ project members and 5+ Cloverbuds
- ✓ Ample certified advisors and supportive parents
- ✓ Meets at least 9 months each year with a mix of community service, project work, public speaking, fun hands-on learning, business, and county-wide event participation
- ✓ Youth take a mix of projects and improve their level of challenge each year
- ✓ Communication flows effectively with all club families and advisors
- ✓ Ethics, reporting, and safety standards are followed at all times
- ✓ Youth experience positive development environment with a mix of safety, fun, and education

Choosing a Name for Your 4-H Club

Choosing a name for your club may be the first decision your new group gets to make. Keep these pointers in mind as you select your club name:

- **Think Non-Discriminatory**

As a program of Ohio State University Extension, Wayne County 4-H does not discriminate on the basis of race, color, age, gender identity or expression, disability, religion, sexual orientation, national origin, or veteran status. Be sure you select a name which is inviting to everyone and does not exclude or offend.

- **Maintain a Positive Image**

Your club name represents Wayne County 4-H and the 4-H Program as a whole. Select a name which upholds a positive image of 4-H. Club names cannot promote or insinuate illegal or inappropriate activities for youth. (For example: alcohol, tobacco, drugs, or violence)

- **Represent Your Club Members - Be Unique**

Consider choosing a name which describes your club. Consider the types of projects taken by the members or their geographical location. Choose a unique name to distinguish your group. Try to avoid choosing a name similar to other clubs in your area if possible.

- **Make it a Group Decision**

Allow every member to be involved. Each member can be involved by suggesting possible names or discussing the choices. In a large club, it may be helpful to create a committee who can narrow the choice to just a few. Allow the group to vote on the possible names and choose the one the majority prefer.

- **Submit Your Choice for Approval**

All 4-H club names must be approved by the Wayne County 4-H Extension Educator. If you have questions or concerns while selecting your name, please call the extension office for assistance.
