GENERAL REGULATIONS

Applies to all Departments

1. Open to any boy or girl regularly enrolled in 4-H Club work or an FFA Chapter in Wayne County, provided such enrollment is on file with the Extension Office or the FFA Chapter.
2. To be eligible to enter a livestock project in the Junior Fair, the entrant must establish membership in a 4-H club by April 1 or FFA Chapter in the preceding school year. Individual clubs or chapters may require earlier membership, but not later. The advisor of the youth group will visit or observe the project at least once. **All Jr. Fair entries must be made online at the website <https://waynejrffair.fairentry.com> by 11:59pm on August 1st.** However, livestock exhibitors must first input all possible animals (Animal Identification) they're bringing to the fair into the 4-HOnline database prior to making a fair entry. The deadline for inputting all animals in 4-HOnline is June 1st except for Market Rabbit, Market Ducks and Market Chickens which are due in 4-HOnline on or before August 1st.
3. Eligible youth may be members of both (4-H clubs) and Vocational Agriculture (FFA Chapters) or of either group. In all cases, separate & different projects (also different animals and/or products) must be carried in 4-H and in Vocational Agriculture by a member belonging to both organizations. The following examples will be considered different and separate projects: dairy herd management (cows in production), dairy heifers not freshened, sheep breeding, commercial market lambs, beef breeding, market beef (steers), swine breeding, market hogs, horse production, horse riding, laying flock, broilers, corn, soybeans, wheat, vegetable gardening, strawberries, electricity, woodworking, etc. When showing at fairs or other exhibitions, the same or similar animals and/or products cannot be shown in both organizations even though they may be carried under different projects or programs. To participate in fairs or other exhibitions the following membership statements will apply. Minimum age for the 4-H member is eight years and in third grade as of January 1 of current year. For the maximum age, the member must not have passed his or her 19th birthday on January 1 of the current year. In FFA the member must not have passed his or her 19th birthday on January 1 of the current year to be eligible. Exhibits must be a part of the student's occupational experience program.
4. **The completion of a 4-H project will be considered the interview at project judging or participation in Wayne County 4-H Skillathon or the Ohio State Fair Skillathon. The completion of an FFA livestock project is participation in Wayne County 4-H Skillathon or the Ohio State Fair Skillathon. Participation in project judging must be in Wayne County. These 4-H and FFA completed projects are then eligible for Wayne County Junior Fair participation.**
5. **All livestock exhibitors must complete Quality Assurance training or test out on or before July 18th. If done outside of Wayne County, proof must be sent to the Extension Office before August 1.**
6. 4-H Cloverbuds must exhibit an individual project with their name displayed to receive a premium. There will be no evaluation of these projects.
7. 4-H and FFA members exhibiting livestock in the Junior Fair will receive tickets or a pass admitting exhibitor and their car on the grounds.
8. All livestock exhibits must be left in place until identified release times unless released by a veterinarian certificate and certificate is filed with Junior Fair Office. Sale animals released following sale. No premium will be paid to an exhibitor who removes a project prior to the specified time.
9. Class changes must be made with Junior Fair Secretary. (A class change is not changing from a heifer to a cow class because you brought a different animal – rather, a class change is realizing your rabbit is a doe, not a buck – same animal but wrong class.) Member forfeits premium, but class change will be made.
10. First and second place winners will compete in championship classes at judge's discretion or as determined under each department.
11. All Junior Fair exhibits will show in a combined 4-H and FFA class.
12. Exhibitors in the Junior Fair are not permitted to wear any type of commercial advertisement or names on their clothing while in the show or sale ring. 4-H or FFA logos permitted.
13. No painting permitted in barns without permission of Senior Fair Board.
14. Members' ages in Junior Fair are calculated as of January 1 of current year unless stated otherwise.
15. Winners of showmanship classes are eligible to show in the next advanced class, the following year.
16. Showmanship Classes will be placed 1-10 & Show Classes from 1-5 unless otherwise stated under individual departments.
17. All bedding must be provided by Junior Fair participants.
18. Animals sold at the Junior Fair Sale become the responsibility of the buyer.
19. All 4-H/FFA members are expected to exhibit and sell their own animals. Exhibitors must be present to show in their market or showmanship class to sell. A Jr. Fair exhibitor may substitute for the exhibitor either in one class or in the sale, but not both. Exceptions will be made only for exhibitors who have a medical condition documented with a doctor's excuse or have conflicting shows.
20. Animals which are ill and/or, in the opinion of the appropriate committee, do not make a good display, may be released from the fair. Health regulations governing Senior Department also apply to all Junior Fair exhibitors.
21. All animals shown in Wayne County Junior Fair market classes (sheep, goat, swine, steer, poultry & rabbit) must be sold at the Junior Fair Auction if requirements have been met. Market animals must be shown in a market class in the exhibition arena to be eligible to sell in the auction. If the animal is ineligible, it will receive turn price.
22. All animals exhibited must have been in the complete possession and continual care of the exhibitor on and after June 1 of the current year. Exceptions: Junior Steers – effective date of ownership is January 1 of current year. Exceptions: does not apply to Rabbit, Chicken, Duck or Turkey Meat Pens. Ownership of an animal will be considered lost if, after June 1 of current year, the animal has been consigned or sold through an auction or any other type transaction, even if the exhibitor "buys back" his animal.
23. The Junior Fair expects courteous and orderly conduct by the exhibitors and their attendants. Harassment, profanity or unsportsmanlike conduct toward Fair officials, judges, show manager, help, exhibitors or animals will not be tolerated. Any violations of this rule would warrant withholding of premiums won and exemption of showing at the Wayne County Junior Fair.
24. Individuals that are currently banned from exhibiting at any county, independent, or State Fair in the United States are not eligible to exhibit at the Wayne County Fair until such ban(s) are expired.
25. Tampering and/or misrepresentation as to breeding, age, ownership and any other irregularity in showing will be considered fraud and deception. Any premiums, trophies, awards or sale money won by such exhibitor will be withheld.
26. Should fraud or deception, and proof, determined by the appropriate committee(s), Junior Fair Liaison Committee and the Wayne County Agricultural Society be discovered after the animal or animals have been shown and prior to the sale, such

animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up. Should violation be discovered after the sale, all sale money shall be returned to the buyer and the animal or carcass shall be returned to the exhibitor. All placings in show will stand. NO animals will move up.

27. When satisfactory evidence has been obtained by the appropriate committee(s), Junior Fair Liaison Committee and the Wayne County Agricultural Society that any of the livestock rules have been violated, the exhibitor and/or exhibitor's family may be barred from showing in any future Wayne County Fairs. The minimum number of years the exhibitor and/or exhibitor's family may be barred from showing in any future Wayne County Fair is three (3) years before the right to a review. In case any premium shall have been awarded to animals shown in violation of this rule, the exhibitor will refund all premiums, trophies, awards, ribbons and sale money under such violation. Unless fraud and/or deception are involved, all championship placings stand.
28. Protests, grievances, accusations of cheating, misconduct, violations of rules, fraud, deception, or any other form of misconduct must be made in writing, signed by party or parties making protest, and filed with the Junior Fair Superintendent or Junior Fair Secretary accompanied by a protest fee of \$100.00, which will be retained by the Wayne County Agricultural Society if protest is not sustained. The Junior Fair Lisison Committee shall hear protests with the appropriate committee(s). All protests will be considered at a time set by the Junior Fair Liaison Committee and all parties will be notified. Jr. Fair Species Committees and the Building 10 Committee are not required to pay the \$100 protest fee when a majority of the committee agrees that a protest should be filed and the committee is the party bringing forward a protest.
29. "Ohio Department of Agriculture (O.D.A.) requires mandatory testing of both urine and tissue samples of all Grand and Reserve Champion animals for hogs, sheep, beef and dairy steers. These Grand and Reserve animals must be sent to designated slaughter house for testing." O.D.A. also requires the completion of a drug use notification form (DUNF) for market steers, market lambs, market hogs, market dairy steers, market goats, lactating dairy cattle, lactating goats, market rabbits and all market poultry. The DUNF must be filed with the records official prior to the Show in which the animal is entered. If an exhibition animal receives treatment after filing the initial DUNF, an updated DUNF must be filed. Attendance or completion of a quality assurance program by exhibitors is mandatory to exhibit junior market livestock.
30. Curfew on the fairgrounds is 10:00 p.m.
31. Any market animal that dies between weigh-in and the sale, the exhibitor will be reimbursed at turn price for that day.
32. Distribution of exhibitor show numbers and fair passes will be on Tuesday, August 27th and Thursday, August 29th from 3:00-7:00 p.m., and Friday September 6th, 9:00 a.m.-9:00 p.m., prior to the Fair in the Junior Fair office.

OUTSTANDING DAIRY EXHIBITOR – ENTRY REQUIRED

Exhibitors must enter this contest on their entry form in order to participate!

- This award will recognize the top individuals who exhibit excellence in several areas of their project. Score will be based on the following criteria:
40% Skillathon Score
40% Showmanship Placing
20% Class Placing (see rule 3 below)
- There will be three age divisions (age as of January 1, current year):
Junior (8-10 years), Intermediate (11-13 years), and Senior (14-18 years).
- Each exhibitor will select one animal to be shown in a mixed breed class on Tuesday after the colored breed show is finished. Exhibitors participating must be in their show whites. Alternate leadsmen will be permitted for this class, providing the exhibitor communicates with the committee and the leadsmen must be the same age or younger. There will be two classes - one for heifers and one for cows. Cows must be milked out before the start of their class. The placement in this class will be used for the 20% class placing portion of the award – not individual breed class placings.
- Exhibitors have the opportunity to earn up to 2 bonus points to be counted towards their ODE skillathon score by participating in an additional Educational Experience. Exhibitors may choose from the following list of experiences, each worth 1 point each.
 - DairyPalooza

- Dairy Quiz Bowl
 - Ohio State Fair Skillathon
 - Ohio State Fair Judging Contest

There will also be a First Year Award given to the first year exhibitor, age 10 and under, with the highest compiled ODE score.
 - Ties will be broken first by Skillathon scores, secondly by Showmanship class placing, and if a tie still exists, an additional tie breaker will be determined at the discretion of the committee.

MILKING PARLOR

The Wayne County Dairy Service Unit, with cooperation from Bechtel Service, Inc. is making every effort to provide exhibitors with satisfactory facilities for milking and the handling of milk at the fair. The milking parlor is an exhibit, which draws a lot of spectators and is a great public relations tool for the dairy industry. Your cooperation in helping to keep the parlor and cattle clean is important. Rinse/wipe cows off before coming to the parlor in the morning. **PLEASE DO NOT BRING DIRTY, MANURE-COVERED COWS INTO THE PARLOR.**

We are fortunate that milk sold from the fair meets Grade A standards; therefore, we cannot accept milk from the barns. All milk is tested for antibiotics before it is shipped. Individual producers' samples may be checked randomly for the presence of antibiotics. Any exhibitor supplying milk in which antibiotics are found will be barred from selling milk at the fair and will be held financially responsible for any milk that would have to be dumped.

The milking parlor will be under the direction of a supervisor in charge. The milking parlor will be open Friday, September 6, for 1 hour, 5:30 p.m. to 6:30 p.m. The milking parlor will be available on non-show days from 5:30 a.m. to 7:00 a.m. and 4:30 p.m. to 6:00 p.m. unless some special arrangements have been made with the parlor supervisor. On show days the parlor will provide a flexible schedule to accommodate exhibitors. To minimize the time that cows would need to stand in line waiting to be milked we are asking that exhibitors try to milk at the same time each day. We understand that variances in milking time are needed to properly fill udders prior to showing.

The proceeds from the sale of milk during the fair is a source of income for the Dairy Service Unit. **A portion of proceeds will be given to the exhibitor.** The board will determine the cost of operating the parlor and its basic budget needs. DSU provides much support with scholarships, education, promotion, and sponsorship of 4-H and FFA programs. These would not be possible without the income from the milk sold at the Fair.

We look forward to servicing you at the fair and wish you success. Have an enjoyable fair, and let's make a good impression — it sells more milk and dairy products.

A Jr. Fair exhibitor may substitute for the exhibitor either in one class or in the sale, but not both. Exceptions will be made only for exhibitors who have a medical condition documented with a doctor's excuse or have conflicting shows. If no one is present to go through sale in order, Hog will be sold at turn price.
2. Drug Use Notification Forms (DUNF), filled out completely, and health papers (if required) must be presented prior to unloading your hog. Refer to the August "Link" for Swine health requirements.
3. All market hogs must be barrows – **NO gilts**.
4. Market pigs must weigh **200 pounds** and over.
5. **ONLY** market hogs weighing between 200 and 310 pounds will sell through the livestock auction. Hogs weighing under 200 lbs. will NOT show or sell. These hogs will leave the fairgrounds immediately after weigh-in. They will be sold to a local market decided upon by the committee or may be sent to a custom harvesting plant serviced by HMI. Members will not show in showmanship OR market class. Hogs weighing over 310 lbs. will be permitted to show in showmanship and the appropriate market class but will NOT be sold through the Jr. Fair Livestock Auction. Members will receive turn price at a market determined by the committee.
6. It is desirable that the market hogs at the Wayne County Fair weigh between 220 and 280 lbs.
7. Due to the limited space, 4-H and FFA members taking a market hog project can exhibit only 1 market hog at the fair.
8. All animals showing in a market class must be sold at the Junior Fair Auction on Thursday of the fair. A 3% charge to Grand and Reserve Champions, and a 2% charge per other head will be made to exhibitors to cover sale costs, bank fee and advertising.
9. **All swine exhibits must be weighed, tagged and in their pens by 10:00 p.m. on Friday, September 6, 2018. A member, family member, or authorized person must be present to pen the pig after the pig is weighed on Thursday or Friday.**
10. **ABSOLUTELY NO** livestock projects are to arrive prior to 4:00 p.m. on Thursday. Check-in hours are **4-10 p.m. on Thursday and 9 a.m. to 10 p.m. on Friday.** Projects arriving prior to 4:00 p.m. on Thursday will not be accepted as fair entries.
11. **ABSOLUTELY NO** decorations or tack are to be tore down or removed from the barn before 6:00 p.m. Thursday. If decorations or tack are removed before the 6:00 p.m. Thursday deadline the entire club/chapter will lose their premiums for their swine projects.

12. **NOTE TO MEMBERS WITH MARKET LIVESTOCK:** Exhibitors selling their animal(s) at the Junior Fair Sale **MUST** send a "Thank You" note to the buyer(s). This "Thank You" note is to be delivered to the extension office beginning the monday after the fair in a stamped, sealed and addressed envelope, and no later than one week after the sale. Checks for the sale of market animals will be sent to members only after a "Thank You" note is presented to the Extension Office.
13. Clubs exhibiting in the swine department will be assigned a time(s) for aisle duty.
14. There is a pen cleaning policy – refer to August member letter (Link). Policy is also posted in swine barn.
15. Watering systems restricted to a gravity fed system with a 5-gallon maximum capacity per pen.
16. No personal/additional fans are permitted in swine barns. Additional ventilation will be provided at the discretion of swine committee.
17. Any hog that dies between weigh-in and sale, the exhibitor will be reimbursed at turn price for that day.
18. Clipping of market hogs will be allowed at the fair. Electric/corded clippers must be used **ONLY** in the designated clipping pen. Battery-operated clippers may be used anywhere in the barn. ½ inch hair length is highly recommended by the swine committee.
