August 2022

Dear Friend of 4-H and FFA,

Thank you for your interest in supporting the Wayne County Junior Fair livestock / dairy products sales. Your interest in our youth and their projects is greatly needed and very much appreciated. The enclosed brochure explains many of the details related to the auctions.

To aid in the registration of buyers on sale day, we ask that all new buyers fill out a registration card. Registration cards are available at the registration table the day of the sale. Enclosed are two complimentary gate admission passes, one for Wednesday and one for Thursday, if you need more tickets please let us know.

Please note that I.D. will be required of ALL BUYERS. Animals purchased are the responsibility of the purchaser after the sale. However, please realize all Wayne County Jr. Fair Market shows and sales are terminal (all animals must be harvested). **All buyers are expected to pay/settle their account by cash, check or credit card (a processing fee will be added to credit card transactions) by the end of the sale on Thursday of the fair. Any new or other payment methods must be approved by Farmers National Bank (clerk of the Jr. Fair Sale) c/o Tom Stocksdales prior to the sale at 330-464-7596.** If you make arrangements to pay at a later date, you must still stop at the bank table to pick up your invoice(s).
