

2022 Wayne County Junior Fair Livestock and Dairy Products Auction

Please Join us September 14, 11am and 15 8:30am for our Junior Fair Sales to support our local youth!

Supporting Wayne County Youth

When you purchase an animal or dairy product, you are buying more than a prize-winning project raised by Wayne County 4-H & FFA members. You are establishing yourself as a partner in helping young people in our community develop essential life skills and attitudes.

The animal projects teach members responsibility, work ethic, leadership and the basics of running a small business. Most 4-H & FFA members save a significant portion of their sale funds to reinvest in additional livestock projects or for college, educational experiences, and even their first car.

You also receive publicity and develop goodwill in the community.

- Buyers are announced at the sale
- All buyers are listed in a thank you advertisement published in local media
- Photos are published with the purchase of Grand and Reserve Champion animals
