GENERAL REGULATIONS

Apply to all Departments

1. Open to any boy or girl regularly enrolled in 4-H Club work or an FFA Chapter in Wayne County, provided such enrollment is on file with the Extension Office or the FFA Chapter.
2. To be eligible to enter a livestock project in the Junior Fair, the entrant must establish membership in a 4-H club by April 1 or FFA Chapter in the preceding school year. Individual clubs or chapters may require earlier

membership, but not later. The advisor of the youth group will visit or observe the project at least once before the Junior Fair entry deadline.

3. Eligible youth may be members of both (4-H clubs) and Vocational Agriculture (FFA Chapters) or of either group. In all cases, separate & different projects (also different animals and/or products) must be carried in 4-H and in Vocational Agriculture by a member belonging to both organizations. The following examples will be considered different and separate projects: dairy herd management (cows in production), dairy heifers not freshened, sheep breeding, commercial market lambs, beef breeding, market beef (steers), swine breeding, market hogs, horse production, horse riding, laying flock, broilers, corn, soybeans, wheat, vegetable gardening, strawberries, electricity, woodworking, etc. When showing at fairs or other exhibitions, the same or similar animals and/or products cannot be shown in both organizations even though they may be carried under different projects or programs. To participate in fairs or other exhibitions the following membership statements will apply. Minimum age for the 4-H member is eight years and in third grade as of January 1 of current year. For the maximum age, the member must not have passed his or her 19th birthday on January 1 of the current year. In FFA the member must not have passed his or her 19th birthday on January 1 of the current year to be eligible. Exhibits must be a part of the student's occupational experience program.
4. **The completion of a 4-H project will be considered the interview at still project judging or the interview at Family and Consumer Sciences judging or the Skillathon at livestock judging. The completion of an FFA livestock project will be considered the Skillathon at livestock judging. Participation in judging or skillathon must be in Wayne County. These 4-H and FFA completed projects are then eligible for Wayne County Junior Fair participation.**
5. 4-H Cloverbuds must exhibit an individual project with their name displayed to receive a premium. There will be no evaluation of these projects.
6. 4-H and FFA members exhibiting livestock in the Junior Fair will receive tickets or a pass admitting exhibitor and their car on the grounds.
7. All livestock exhibits must be left in place until identified release times unless released by a veterinarian certificate and certificate is filed with Junior Fair Office. Sale animals released following sale. No premium will be paid to an exhibitor who removes a project prior to the specified time.
8. All entries must be in the Junior Fair Office by August 1, whether mailed or hand-delivered. Class changes must be made with Junior Fair Secretary. (A class change is not changing from a heifer to a cow class because you brought a different animal – rather, a class change is realizing your rabbit is a doe, not a buck – same animal but wrong class.) Member forfeits premium, but class change will be made.
9. First and second place winners will compete in championship classes at judge's discretion or as determined under each department.
10. All Junior Fair exhibits will show in a combined 4-H and FFA class.
11. Exhibitors in the Junior Fair are not permitted to wear any type of commercial advertisement or names on their clothing while in the show ring. 4-H or FFA logos permitted.
12. No painting permitted in barns without permission of Senior Fair Board.
13. Members' ages in Junior Fair are calculated as of January 1 of current year unless stated otherwise.
14. Winners of showmanship classes are eligible to show in the next advanced class, the following year.
15. Showmanship Classes will be placed 1-10 & Show Classes from 1-5 unless otherwise stated under individual departments.
16. All bedding must be provided by Junior Fair participants.
17. Animals sold at the Junior Fair Sale become the responsibility of the buyer.
18. All 4-H/FFA members are expected to exhibit, weigh and sell their own animals. Exhibitor must be present to show in a class (other than showmanship) or sell. A 4-H-aged representative may substitute for the exhibitor either in the market or breed class, or in the sale — not both.
19. Animals which are ill and/or, in the opinion of the appropriate committee, do not make a good display, may be released from the fair. Health regulations governing Senior Department also apply to all Junior Fair exhibitors.
20. All animals shown in Wayne County Junior Fair market classes (sheep, goat, swine, steer, poultry & rabbit) must be sold at the Junior Fair Auction if requirements have been met. Market animals must be shown in a market class in the exhibition arena to be eligible to sell in the auction. If the animal is ineligible, it will receive turn price.
21. All animals exhibited must have been in the complete possession and continual care of the exhibitor on and after June 1 of the current year. Exceptions: Junior Steers – effective date of ownership is January 1 of current year. Exceptions: does not apply to Rabbit, Chicken, Duck or Turkey Meat Pens. Ownership of an animal will be considered lost if, after June 1 of current year, the animal has been consigned or sold through an auction or any other type transaction, even if the exhibitor "buys back" his animal.
22. The Junior Fair expects courteous and orderly conduct by the exhibitors and their attendants. Harassment, profanity or unsportsmanlike conduct toward Fair officials, judges, show manager, help, exhibitors or animals will not be tolerated. Any violations of this rule would warrant withholding of premiums won and exemption of showing at the Wayne County Junior Fair.
23. Individuals that are currently banned from exhibiting at any county, independent, or State Fair in the United

States are not eligible to exhibit at the Wayne County Fair until such ban(s) are expired.

24. Tampering and/or misrepresentation as to breeding, age, ownership and any other irregularity in showing will be considered fraud and deception. Any premiums, trophies, awards or sale money won by such exhibitor will be withheld.
25. Should fraud or deception, and proof, determined by the appropriate committee(s), Junior Fair Liaison Committee and the Wayne County Agricultural Society be discovered after the animal or animals have been shown and prior to the sale, such animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up. Should violation be discovered after the sale, all sale money shall be returned to the buyer and the animal or carcass shall be returned to the exhibitor. All placings in show will stand. NO animals will move up.
26. When satisfactory evidence has been obtained by the appropriate committee(s), Junior Fair Liaison Committee and the Wayne County Agricultural Society that any of the livestock rules have been violated, the exhibitor and/or exhibitor's family may be barred from showing in any future Wayne County Fairs. The minimum number of years the exhibitor and/or exhibitor's family may be barred from showing in any future Wayne County Fair is three (3) years before the right to a review. In case any premium shall have been awarded to animals shown in violation of this rule, the exhibitor will refund all premiums, trophies, awards, ribbons and sale money under such violation. Unless fraud and/or deception are involved, all championship placings stand.
27. Protests must be made in writing, signed by party or parties making protest, and filed with the Junior Fair office by noon of the day following award, accompanied by protest fee of \$100.00, which will be retained by the Wayne County Agricultural Society if protest is not sustained. The Junior Fair Liaison Committee shall hear protests with the appropriate committee(s). All protests will be considered at a time set by the Junior Fair Liaison Committee and all parties will be notified. Protest may be made prior to the opening day of the Fair by following the same procedure. Jr. Fair Species Committees and the Building 10 Committee are not required to pay the \$100 protest fee when a majority of the committee agrees that a protest should be filed and the committee is the party bringing forward a protest.
28. "Ohio Department of Agriculture (O.D.A.) requires mandatory testing of both urine and tissue samples of all Grand and Reserve Champion animals for hogs, sheep, beef and dairy steers. These Grand and Reserve animals must be sent to designated slaughter house for testing." O.D.A. also requires the completion of a drug use notification form (DUNF) for market steers, market lambs, market hogs, market dairy steers, market goats, lactating dairy cattle, lactating goats, market rabbits and all market poultry. The DUNF must be filed with the records official prior to the Show in which the animal is entered. If an exhibition animal receives treatment after filing the initial DUNF, an updated DUNF must be filed. Attendance or completion of a quality assurance program by exhibitors is mandatory to exhibit junior market livestock. For Wayne County Junior Fair participation in the Skillathon QA program meets this requirement.
29. Curfew on the fairgrounds is 10:00 p.m.
30. Any market animal that dies between weigh-in and the sale, the exhibitor will be reimbursed at turn price for that day.
31. Distribution of exhibitor show numbers will be on Tuesday, August 25 and Thursday, September 3 from 5:00-8:00 p.m., and Friday, 9:00 a.m.-9:00 p.m., prior to the Fair in the Junior Fair office or clubs may request to pick up numbers with fair passes.
32. Overall Grand & Reserve Grand Champion: Market Goats, Hogs, Lambs, Beef Steers, and Dairy Beef Steers will be housed together in Champions Row. All animals should be moved to the Champions Row at the Direction of the Committee members.
33. The Wayne County Fair Board reserves the right to limit the number of exhibits per exhibitor. The Wayne County Fair Board reserves the right to limit the number of exhibitors. Further, the Fair Board reserves the right to decline or accept any exhibit or exhibitor from entry to the Wayne County Fair for any reason or no reason at all.
