**Project Information**

*Multiple Projects*: 4-H’ers who take more than one clothing project must complete separate learning experiences related to each, **including creating a separate, complete, total-look outfit for each project**. Using items from two or more projects to form one outfit will not be considered as a “completion” of either project during state fair evaluation.

*Repeating Projects*: Members who repeat clothing projects should attempt new challenges each year such as doing more advanced experiments and surveys and sewing more complicated patterns or harder-to-handle fabrics.
