General Information

- **Possession Date:** The project must be in the care and possession of the member by JUNE 1 of the current year and remain with the member through the fair. Animal ID information is due in 4-H online by June 1
- **Tagging:** Lambs must have a Scrapie Identification Tag in an ear by June 1st. Tattoos are not permitted.
- Each member needs to complete the Market Lamb Project and Record Book or Sheep Breeding Project and Record Book, participate in Quality Assurance, and the sheep Skillathon or project interview judging in order to be eligible to exhibit at the Wayne County Junior Fair. A letter is sent to members in June with Skillathon details.
- **Market Lambs:** Members may show only one market lamb at the Wayne County Junior Fair. This includes the Bred, Born, and Raised and the Market Lamb shows. You may only show in either Market Lamb class or Wayne County Bred Born and Raised class, not both.
- Members are permitted to show either a wether or ewe lamb in the market lamb class. Market lambs with any evidence of testicular growth will not be permitted to show.
- **Breeding Sheep:** Members may show one breeding sheep per breed class. Members are limited to entries in two breeds. Slick shorn wether type ewe is considered a breed class.

- The Wayne County Junior Fair Book is available to all 4-H members in July. The Junior Fair Book should be distributed to club members by the 4-H advisor. All details pertaining to the fair are listed

in the Junior Fair book and the August edition of the Link newsletter, which is sent to every 4-H family. Please read them thoroughly.

- Each family should have the 4-H Sheep Resource Book. Guidelines for training and showing your lamb are listed in your 4-H Sheep Resource Book. The sheep committee will provide a clinic covering breeding sheep and market lamb showmanship.
- Use your market lamb project book to figure your lamb's weight gain and what it will weigh for the fair. Keep in mind that all lambs gain at different rates depending on frame, structure and the feed you are using. Decide what your particular lamb should ideally weigh at market time and feed to reach that weight.
- **Sale Photograph:** Champions will be the only animals to enter the sale ring. Our goal is to display a clean and professional photo of every exhibitor with their animal during the time each exhibitor is selling. Please submit a photograph for the sale with your fair entry due on August 1st.
- **Sale:** The market lamb classes are terminal shows and sale. All market lambs will be sold on Wednesday at the Junior Fair Auction and MUST go to a market designated by the Senior Fair Board.
- **Market lambs** will sell first on Wednesday.
- Exhibitors selling their animal(s) at the Junior Fair Sale MUST send a "thank you" note to the buyer(s). This "thank you" note is to be delivered to the Extension Office beginning the Monday after the fair in a stamped, sealed and addressed envelope, and no later than one week after the sale.
