Dear Junior Fair Board Members,

Happy July 4th weekend. I hope you're all doing well. **Our next meeting is coming up this Wednesday July 6th at 7 pm at the Event Center at the Fairgrounds.** Below are some notes to re-cap things from our last meeting and some important reminders of things we need you to turn in and sign up for.

1. Help with Project Judgings and Skillathon:

Click the link below to sign up to help with Project Judgings and Skillathons. Please sign up for at least one event. If you signed up during the meeting I already put your name on the online sign up list – but see list below to double check so you know what you're signed up for. If you go to sign up and there are no longer any spots available – please stop in at an event or two to make sure everything is covered. Also, if you are signed up to work at an event and need to take a short break to do your own Project Judging, Outstanding Exhibitor Exam, or Skillathon – you will be able to take a short break to do that – just be sure to communicate with Doug, Diane, and/or other Junior Fair Board members to make sure that whatever you're helping with is covered while you take a break.

5. Stock the Trailer Food Drive

During last month's Junior Fair Board meeting – we heard a presentation from Colin Gordon of Farm Credit Mid-America about an exciting opportunity to join in a competition among other Junior Fair Boards to conduct a large scale Food Drive before and during our upcoming Wayne County Fair. Not only will this be a great community service activity and lots of fun, but we also have the chance to win \$5,000 for our Junior Fair Board treasury to do with it whatever we as a group decide. We formally voted to do this activity and formed a committee to give leadership to it. Below is the list of individuals that signed up to be on the Stock the Trailer Food Drive Committee. This committee will hold it's first meeting at the end of our regular JFB meeting on July 6th. Also, note that just because we have a committee to give leadership to this project – all Junior Fair Board members are expected to help promote this Food Drive and to work shifts during the fair to staff the trailer where donations will be dropped off.
