Dear 4-H members, parents, and volunteers:

April is always an exciting time for 4-H in Wayne County as membership and volunteer enrollments are officially submitted and the 4-H year really gets going. On April 20th we will also host alumni, friends, 4-H parents, volunteers, and other guests for our Wayne County 4-H Legacy Dinner. This new event is aimed at celebrating the positive youth development that 4-H provides across Wayne County and highlighting opportunities to support our 4-H program. I want to say thank you to our planning committee, our sponsors, and supporters who have bought tickets to attend this event. Look for a re-cap of the Legacy Dinner coming up in our next edition of The Link newsletter.

Best wishes,

Doug

4-H Project Deadline Reminders

April 1st member enrollment and activity fee deadline: Members who enroll by this date are eligible to exhibit 4-H projects in the Wayne County Junior Fair. Members may enroll after April 1st and may participate in 4-H club activities, clinics, camp, etc. but are not eligible to exhibit 4-H projects in the Wayne County Junior Fair.

May 1st - Large Book orders and Horse Special Request forms due

June 1st - Forms due for Born and Raised Swine projects, Beef Feeder Calf, Horse Member and Sheep Born and Raised (due at weigh-in).

June 1st Ohio 4-H care and possession rule: All animals exhibited must have been in the complete possession and continual care of the exhibitor on and after **June 1st** of the current year. The exception is steers and market poultry; the effective date of ownership is January 1st of the current year for steers and the poultry deadlines are listed in the Jr. Fair Book and the project guidelines. Ownership of an animal will be considered lost if after June 1st of the current year the animal has been consigned or sold through an auction or any other type of transaction, even if the exhibitor “buys back” their animal.

June 1st - all project changes completed: Any project changes must be made with the Extension office (either in writing or by phone) **by June 1st**. This includes correcting a member's enrollment form. Projects cannot be added after April 1st, only changed within project areas below. After June 1st, no project changes will be allowed, as the State 4-H Office requires that all members have their projects selected.

For an example, a member who enrolled by April 1st with a breeding sheep, but intended to sign up for a market lamb is able to contact the Extension office and make the change. If that same member signed up for a market hog project, but intended to sign up for a market lamb, he is unable to make that change.

Likewise if a member enrolled in “Snack Attack!” and wants to change to “Star Spangled Foods” (beginner to intermediate level cooking project) this is allowed. She would not be able to change from “Snack Attack” to “Let's Explore the Outdoors.”

IRS 990 e-Post Cards

4-H Organizational Advisor: Remember the Extension Office will file your 990N e-post card. DO NOT submit this on your own—we will be submitting for all clubs and committees.

Project Guidelines and Updates

Project updates and guidelines are available for each of the project books. We include these in the organizational advisor's club packet and on our website: <http://wayne.osu.edu/projectinfo>. All livestock and some beginner projects will have printed guideline sheets included in the book, but all others will be available online. FCS and still project guidelines will be available online. Poultry, Rabbit, Sheep and Swine guideline sheets are complete and will be mailed to the lead organizational advisor.

Wayne County 4-H Hugh Kline Endowment Fund Grant Applications

All Wayne County 4-H clubs are invited to apply for Hugh Kline Endowment funds to support new or innovative club projects, activities, field trips, etc. A copy of the grant application is available on our website at <http://go.osu.edu/17hkgrants> or by going to wayne.osu.edu and clicking on 4-H, then forms and applications. 2017 applications for Hugh Kline Endowment funds are due to the Extension Office by 4:30 pm on May 1st.

Attention Dairy Exhibitors—on behalf of the Senior Fair Board

2017 Wayne County Fair has been and will be a year of change. The Jr. Fair Livestock numbers are increasing and in effort to give all dairy animals the comfort they need, we may have to make changes in all dairy barns. We are asking that tack and supplies be consolidated, seating areas be limited and enter the number of animals closest to the number you will be exhibiting. Also consider using small bales wherever possible or bring in hay and supplies each morning.

Every effort will be taken to keep exhibitors in the same location as in past years, however, movement to another location may occur. Our main goal is to give your livestock the most room in the safest way.

2017 OHIO DEPARTMENT OF AGRICULTURE LIVESTOCK QUALITY ASSURANCE REQUIREMENTS

Again this year it will be mandatory FOR ALL Junior Fair livestock exhibitors (4-H and FFA) to attend a quality assurance program before showing their animals at the Wayne County or Ohio State Junior Fair. Exhibitors of market steers, market dairy steers, market lambs, market goats, market hogs, all poultry meat pens, and meat rabbits, lactating dairy and lactating dairy goats will also need to complete a Drug Use Notification Form (DUNF) for each of these animals. The quality assurance requirement may only be met by participating in ONE of the following: (1) Quality Assurance program in Wayne County, or (2) An Ohio industry Quality Assurance training (e.g., Ohio Beef Expo, Ohio Pork Congress, etc.).

Wayne County Quality Assurance Dates: April 26th • May 25th

Registration at 6:30 p.m. | Training 7:00 to 8:30 p.m. at Fisher Auditorium, OARDC

Members must attend one of these evenings or another QA training. Quality Assurance **MUST** be completed by August 1st. There will be one final QA Training on August 1 with a \$25 fee associated. If you completed Quality Assurance at a program outside of Wayne County, proof must be sent to the Extension Office by August 1.

2017 OHIO DEPARTMENT OF AGRICULTURE LIVESTOCK SKILLATHON REQUIREMENTS

Participation in the skillathons is also mandatory for all exhibitors (4-H and FFA) of livestock projects who wish to exhibit their animals at the Wayne County Junior Fair. The skillathon may be completed only in Wayne County or at the Ohio State Fair.

Wayne County Skillathon Dates: July 20th • July 24th • July 25th

From 7:00 to 9:00 p.m. at Fisher Auditorium, OARDC

Members will need to attend one of these evenings to complete the skillathon for each species of animal he/she is exhibiting. The skillathons will consist of four stations that cover quality assurance issues and one station on project records (five total).

New this year, members will have the option to sign up, on a first come first serve basis, for project interview for skillathon rather than the stations. Judging will take place during still project judging on July 17 and August 8. Members will have to register for a time slot for their interview and that will be available starting June 1st. More information will be available soon.

It is ESSENTIAL that livestock exhibitors attend BOTH Quality Assurance AND Skillathon in order to exhibit at the Wayne County Fair!

The quality assurance program and the skillathon will meet the Ohio Department of Agriculture quality assurance participation requirements. Your cooperation is greatly appreciated in helping your 4-H or FFA members to reach this requirement. If you have any questions, call Nicole at 330-264-8722.
