Junior Leaders assemble Bikes for Kids at the December meeting.

Wayne County 4-H News

Happy New Year! I hope you had a safe and joyous holiday season. Now that kids are back in school, it's time to begin getting organized for the upcoming 4-H year. Our committees are hard at work this month welcoming new members that were elected in the fall, reviewing Jr. Fair book rules and project guidelines, identifying judges for the shows later this year, and working on other plans to ensure a smooth and fun filled 4-H and Jr. Fair year.

January is a great time to plan a meeting with your club's advisors and officers to start planning out your club activities for the year as well. Enclosed with this edition of *The Link* is our 2018 Wayne County 4-H Calendar of Events. We encourage you to reference it when planning out your club's activities to try and avoid planning a club activity or meeting that conflicts with major countywide 4-H events.

Hopefully by now you have read some of the news stories about the Jr. Fair Building project being undertaken by the Fair Board. I am very excited about this project and look forward to sharing more news and progress updates over the course of this next year. The fundraising campaign is getting underway and more details about how to contribute will be shared this spring. The Fair Board and I really appreciate the time that many 4-H volunteers have given to serving on the Jr. Fair Expansion Committee over the past 18 months that has developed this project to this point where the board is now able to take action to move it forward.

Doug

New Year Changes

2018 Distribution of Club Packets

Organizational Advisors will need to fill out the survey at go.osu.edu/clubsurvey2018 to request the number of materials for your club packets. The materials will then be ready to pick up at the Required Advisor Training Sessions.

4-H Enrollment Deadline

This year our enrollment will be due April 1, 2018 at 4:30 pm via the online portal at oh.4honline.com. For the first time in a long time, we can say enrollment should be easier! Every document that was turned into the office, besides the activity fee form, will now be part of the online enrollment process. The activity fee is still \$10 for cloverbuds, \$15 for 4-H members, with a family maximum of \$50 per family must also be paid in full. Clubs will then turn in one check to the Extension Office for all of their members. Any projects enrolled after this date will not be eligible for exhibition at the 2018 Wayne County Fair.

4-H Online System Transition

For the upcoming year of 2018, the State 4-H Office has recommended that all members and volunteers have access to the enrollment system and will be required to enroll themselves into the 4-H online system. To help with this transition, we will have trainings in our office and online throughout the next few months. If at anytime you have questions, call the office and the 4-H team will help you!

Some notes:

- Enrollment will be paperless. Member and volunteers will log into a family portal where they can easily update their information, add projects, and complete the data.
- Advisors will still approve each member. (So PLEASE NOTE clubs may still have enrollment deadlines before April 1st, so that they have time to complete their approval. This will be a club by club deadline.)
- Each family must have their own email to log in. (it cannot be shared with another family.)
- Not everyone has internet access at home
 - + There is access at all public libraries
 - + We will have a dedicated computer in our office for members and volunteers to schedule a time to come in to enroll.
 - + Clubs could have a meeting anywhere with a wireless connection and utilize tablets to get everyone access and enrolled
- In the past, our enrollment system always depended on the paper in hand. If a project was missed in the computer, but was at least on the members paper enrollment form we would fix it in the computer. With this new system what ever the member and their family enrolls in the online system, and then the advisor confirms, will be the final word. "THE ONLINE ENROLLMENT MUST BE ACCURATE AND WILL NOW BE THE FINAL WORD." (Moreover, a confirmation email will be sent once submitted and families can log in at any time and see what was enrolled.)
- All policies, along with changing projects up until June 1, will still be in effect. Members will not be able to change projects in the system after April 1st themselves as it must be done by the Extension Office staff.

Club Advisor Login

With the new process, when members login and submit their enrollment, advisors will now be required to confirm members. This is only to make sure you accept "the person" into your club. You have the ability to go into and see their profile, but will be unable to change anything.

GROUP PROJECTS are the only instance that a member does not have to add a project into the system. Each club must submit a list of group projects to the Extension Office by April 1st and we will bulk add them into the system.

Project Guidelines

The Extension Office will have all FCS & Still Project guidelines available online. A sticker with the web link will be placed on each book. We will continue to print all livestock guidelines.

Organizational Advisors and Committee Treasurers Information

Annual Club Requirements

The following documents are required each year via the State 4-H Office. We will keep record of these documents and will review them annually.

- ❑ **Club Financial Summary** – Each club or committee must turn in a Yearly Financial Summary by **January 31**. The summary is required for us to complete the 990N. The Form can be found online at <http://go.osu.edu/4Hforms>. Your 2018 club packet will not be distributed until this form is submitted! (If your club is one of the few that EINs was revoked and you do not have a new EIN, Submit your summary with the old EIN)
- ❑ **Constitution** – Each year we must receive a new copy of your club's constitution by **April 1** (the enrollment deadline). The constitution must follow the university approved template which is found online at <http://go.osu.edu/Constitution>
- ❑ **By-laws** – Due by **April 1** each year. The by-laws do not have to follow the university approved template, but a template can be found online at <http://go.osu.edu/Bylaws>. This is the document that you **must** utilize to require attendance, community service, club rules, guidelines, expectations or policies not listed in the constitution like dues, committees, achievement requirements, record books, project exhibition, fund raising, club trip, etc. Items and rules included in your by-laws cannot conflict with the required club constitution.
- ❑ **Club Charter** – Due **April 1** each year. 4-H National Headquarters and the Ohio 4-H Office requires that all clubs be chartered. The charter checklist must be reviewed annually to assure a club's continued compliance with the 4-H club criteria. Only chartered 4-H clubs are permitted to use the 4-H name and emblem according to 4-H National Headquarter guidelines. Clubs that meet these minimum requirements will be granted/continue a charter. The Ohio 4-H Club Charter can be found online at <http://go.osu.edu/ClubCharter>.

Procedures for IRS Filing

The Extension Office will file *ALL* 4-H Clubs and Committees 990N ePostcards. **Do not file a 990N for your club!** The State 4-H Office is requiring each office to follow strict guidelines and file for the 4-H clubs because of the many issues within the system. Just in our county, we have record of multiple 4-H Clubs that have had their Tax Exempt Status revoked. It is the hope that if we follow these strict guidelines that we can fix and alleviate these many issues.

If your club received a notice from the IRS that states your club's tax-exempt status has been revoked, scan and email Stephen Heppe (heppe.4@osu.edu) the form or drop it off at the Extension Office. The State 4-H office is working to fix these problems. These problems have happened all around the state and there is no rhyme or reason we have found at this point. So if you receive a letter, make sure the Extension Office has a record of it!

Auto Revoked EIN's – Some clubs are receiving messages, etc. from private businesses who guarantee to get the EIN reinstated for a fee. Please ignore these as the club will still have to pay a fine, file additional forms and pay the private business \$200-500 for their help.

4-H Club Treasury Guidelines

Having a bank account can be a learning experience for your club members. It can teach them to reconcile bank statements and how to handle money responsibly. However, there are some state and common sense guidelines that need to be followed. These guidelines can be found at go.osu.edu/TreasuryGuidelines.

Is your club looking for a place to have a fundraiser?

PBS Animal Health is looking to host fundraisers! If your club is looking for a venue to have a fundraiser, PBS would be happy to host it! Try a bake sale or selling other hand made items your members make. They love supporting 4-H and teaching kids life skills. Keep them in mind and call (330) 262-1596.

Check Out the Ohio 4-H Project Central Website

Trying to decide which project to take can be hard! [The Family Guide](#) talks about each project book, but now you can go one step further! At ProjectCentral.Ohio4H.org you can preview 4-H project books offered by Ohio 4-H. Project Central allows users to browse projects by skill level, topic area, and to search by keyword. We ask that you take a quick second and rate projects you've taken in the past to let other youth and advisors know how well you liked the project and to provide feedback! Project Central also allows you to share your project ratings and comments with your friends on Facebook, Twitter, and Pinterest!

Volunteer Training Information

Register Online at go.osu.edu/2018advtraining or call the Extension Office for 2018 Required 4-H Advisor / Volunteer Trainings! Registration will stay open until 2 days prior to each training date. All 4-H advisors, volunteers, and committee members must attend one of two trainings offered in February to be eligible to continue as a 4-H advisor, volunteer, or committee member in 2018.

A requirement established by the university is that all OSU volunteers must attend annual training on Recognizing and Reporting the Signs of Child Abuse and Neglect. The Wayne County OSU Extension Office will offer this training and other important information for all 4-H Advisors / Volunteers on two different dates in February.

Training Sessions will be held at OARDC Fisher Auditorium. The first hour's general session will feature Child Abuse/Neglect training and 2018 4-H and Jr. Fair Updates. The second hour will consist of breakout sessions, listed below, for you to attend a topic of your choice.

Date	Breakout Sessions Offered	Presenters
Thursday February 8th 7-9 pm	4-H Online Training Cloverbud Activities 10-Minute Science Activities Communication & Conflict Resolution	Stephen Heppe Dr. Scott Scheer Dr. Bob Horton Tim Tanner
Saturday February 10th 9-11 am	4-H Online Training Communication Exploration 2018 Poultry/Rabbit Changes State 4-H Animal Science Updates	Stephen Heppe Morgan Domokos Erin Shoop Dr. Lucinda Miller

Cloverbud Activities – Learn ideas about new activities and resources you can use to keep your Cloverbuds engaged and active during club meetings.

10-Minute Science Activities – State 4-H STEM Specialist Dr. Bob Horton is back with several new and updated 10-minute science activities you can use to help keep things interesting at your club meetings.

Communication and Conflict Resolution – learn about way to manage and resolve conflicts and other disagreements in the 4-H club setting.

4-H Online Training: Advisors role in the New Enrollment system – A volunteer from each club must attend this session. The training will take volunteers through the easy process of confirming your members enrollment. We will share methods on how to get information out of the system and pull reports. (If available we will show a sneak peek at the new Fair Entry software that will have members make their own entries online!)

Communication Exploration – discuss and learn about various types of communication from traditional to online to smartphone for clubs and committees.

State 4-H Animal Science Updates: This session will offer updates and information about State Fair Skillathons, Judging Contests, and other Companion Animal and Livestock opportunities and events offered at the State level and the State Fair. Learn about the Bi-State Youth Poultry Clinic, Dog Expo, Dog Bowl, Avian Bowl, what's expected if participating in the OSF skillathons and more. Come prepared to ask questions and take information back to your 4-H members.

2018 Poultry / Rabbit Changes – The poultry / rabbit committee has decided to implement several changes to classes and other aspects of the projects going into effect for 2018. Come learn about the changes to help your members prepare for a successful 4-H and fair experience.

For All Potential New 4-H Advisors / Volunteers

All NEW 4-H advisors/volunteers will need to complete the volunteer screening process. A potential 2018 volunteer is defined as “new” if he or she was not enrolled as an advisor/volunteer in the 4-H program for 2017. A checklist for completing this process by April 1st is listed below:

- Complete the new volunteer application and return it to the Extension Office by April 1st.
(found at go.osu.edu/newvolunteer18)
- Agree to and sign the Volunteer Standards of Behavior form.
- Send and successfully pass the criminal history fingerprint background check
- **Complete a new volunteer training session and interview with 4-H Educator Doug Foxx. These are scheduled for March 6th and April 18th.**
- Receive a letter from 4-H Educator Doug Foxx indicating that they are approved to serve as an Ohio State University Extension 4-H volunteer.

Due to the need to complete the process (which takes approximately 6 weeks) before a volunteer begins working with the 4-H program, **new volunteer applications will only be accepted from November 1st through April 1st each year.**

Ohio and Wayne County 4-H Week is March 4-10, 2018. Share posts on our facebook page that week to spread the news about the great things 4-H is doing!

Livestock News

Beef Weigh-in

The 2018 market steers must be weighed and tagged in January 13th, 2018 (Bad weather date is January 20th) . It is not necessary for the member to attend, but make sure a family member, friend or advisor can bring your animals. This is the one and only opportunity to tag and weigh-in your market steer for the 2018 Wayne County Fair! Check the project information page for more information: [2018 Market Steer Tag & Weigh-in](#)

New Rules in 2018 for Quality Assurance

The Ohio Department of Agriculture has new rules for completing QA starting this year stating:

- Junior fair exhibitors ages 8 to 11 shall annually participate in a face-to-face education session that is taught by an authorized instructor.
- Junior fair exhibitors ages 12 to 19 shall either annually complete an educational session or successfully complete the test-out option.
- “Regardless of age, junior fair exhibitors shall successfully complete the educational program not less than 45 days prior to the opening date of the exhibition in which they will participate.” Thus, QA training and certification must be completed not less than 45 days prior to the opening day of your county fair. Also, they need to know that this includes the Ohio State Fair, so if they plan to show at OSF and they have a later fair they will need to complete QA 45 days before the opening day of the Ohio State Fair, regardless of what day they show.

Therefore, QA dates in Wayne County have been moved up and include:

March 20 - Quality Assurance Test Out Session (ages 12—19 only)

April 24 - Quality Assurance

May 23 - Quality Assurance

July 19 - Last Chance Quality Assurance (a fee will be associated with this training) Participants at this point are NOT eligible to participate in the Ohio State Fair

Trainings will still be offered at species clinics and members can still attend state-approved trainings (i.e. Ohio Beef Expo, Dairy Palooza, OSU Junior Swine/Poultry Day) to get credit.

Skillathon and Livestock Project Judging

Again this year, Quality Assurance will be separate from Skillathon/Livestock Project Judging, but BOTH will be required for members to be eligible to exhibit at the fair. This will allow exhibitors to have the proper training during the beginning of their projects, and have the knowledge and tools to do things right from the start and then can display that knowledge later on in the summer through skillathons or interviews. More information about Quality Assurance AND Skillathon/Interviews will be sent out after the enrollment deadline.

Livestock Judging Team

Looking forward to getting the 2018 Livestock Judging Teams up and running. We will start practice at 6:30 on Wednesday, January 17th at Certified Angus Beef in Wooster- back side of the main office building. All ages and experience levels are welcome and encouraged to attend! Pending availability of those wanting to participate we may look at other days of the week for future practices. Don't hesitate to reach out to Erin Lucci (elucci@certifiedangusbeef.com) if you have any questions.

Horse Judging, Bowl and Hippology Team

If you are interested in being on one of the horse teams, contact Janelle Geiger (330-234-3386 or designs by janelle2016@gmail.com for more information.

Goat Rule to Change for 2019

Next Year, horns will be permitted for Boer Breeding Does (Classes 20-23). Market wethers, dairy, and pygmy goats will continue to be dehorned with no horns/scurs longer than 1/2".

We wanted to make you aware of this change as kidding season is right around the corner! Any other rule changes and/or additions will be announced at Advisor trainings and the 2018 Project Guidelines.

Want to Learn more about poultry?

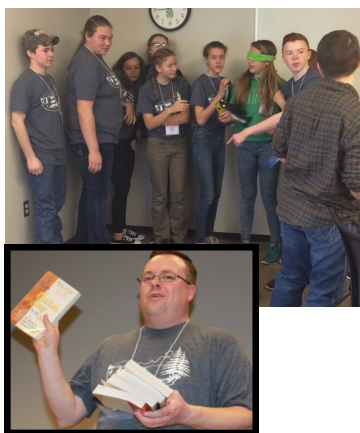

Lucinda Miller, the state 4-H livestock and small animal state specialist, would like you to know about some easily accessible articles about poultry now directly available on the [Poultry Resources webpage \(ohio4h.org/poultryresources\)](http://ohio4h.org/poultryresources). Also posted is a collection of articles called [Basic Information About Chickens](#) (143 pages). You are welcome to download and print these documents for your reference.

County and State Opportunities

2018 Ohio 4-H Conference and Bus Trip

4-H members, parents, advisors and volunteers are welcome to attend this year's Ohio 4-H Conference and Plowboy Prom on March 10th! Travel together on a charter bus departing at 7 am from the Wayne County Fairgrounds. Enjoy the day at the conference by attending sessions, a luncheon, group dinner and cap the night off with line/square dancing and other fun activities at the Plowboy Prom. Cost is \$25.00 for registration and \$10-15.00 for dinner. Registration forms can be found at go.osu.edu/wayne4hbustrip2018

Making eXtreme Counselors

The 2018 Making eXtreme Counselors (MXC) workshop will be held February 17-18th in Columbus at the 4-H Center. Registration is now open at <https://ohio4h.org/camp/mxc-workshop> Please help us promote this wonderful counselor training opportunity to your 4-H camp counselors.

Older youth age 14 to 18 who plan to serve as camp counselors are invited to participate in MXC, an interactive and quick-paced training that offers innovative camp ideas to new and veteran camp counselors. MXC participants will leave with skills that will enable them to assist in their county's camp program planning and delivery, and prepare them to deliver a great camp program to their campers.

Become a Shooting Sports Camp Counselor!

Junior Shooting Sports Camp is June 28-July 1st (campers arrive on the 29th) at Canter's Cave. Youth must be at least 14 years old as of January 1, 2018. Youth must complete all required training. If a youth is not a counselor in your county but interested, we do have a training opportunity April 20-22nd at the adult instructor workshop.

Senior Shooting Sports Camp is July 7th-13th (campers arrive on the 8th) at Canter's Cave. Counselors must be at least 18 as of January 1, 2018 and not attending SS camp as a camper. This is a great way to keep young alumni who have recently aged out involved! Training is available April 20-22nd for these individuals also.

Applications can be found at: <https://ohio4h.org/families/members/events-opportunities/shooting-sports/4-h-shooting-ed-camp>

2018 Wayne County Rural Youth Square and Line Dances:

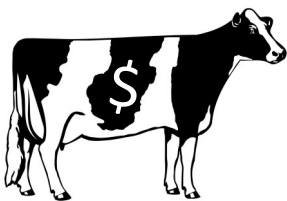

Sat., Feb. 10, 2018 7:30-10:30 p.m. Smithville United Methodist Church
Sat., Apr. 14, 2018 7:30-10:30 p.m. Smithville United Methodist Church
Sat., June 9, 2018 7:30-10:30 p.m. Wayne Co. Fairgrounds
Sat., Nov. 10, 2018 7:30-10:30 p.m. Smithville United Methodist Church

Admission \$5 All ages welcome and the public is invited. No experience necessary. Free lessons for square AND line dancing begin at 7 p.m. Refreshments served. Stocksdales Band providing music. Bring the whole family and come join the fun. Questions? Call Dave or Ann at 330-669-2786.

Club Activity Ads

Does your 4-H club have an activity open to members outside your club OR have a fundraiser we could help promote? It's a free and easy way to advertise! Send us the information and we can add it into the next LINK Newsletter. We're all about 4-Her's supporting other 4-Her's, plus we like to know what you're up to as well!

Dairy Service Unit Scholarship & Outstanding Dairy Youth Award

The Wayne/Ashland Dairy Service Unit (DSU) offers a scholarship to provide financial assistance to students in Wayne County that intend to go on to post-high school education in the field of agriculture, with a special interest in the dairy industry. At least one scholarship of \$1,000 will be awarded to qualified applicants.

Applicants for the scholarship must be a resident of Wayne County at the time of application, have graduated from an accredited high school program or be in their senior year, and have an agricultural background with interest towards continuing in agriculture. Special consideration is given to those applicants with a dairy background, involvement in a 4-H or FFA dairy project or having employment in a dairy based business. Applications for the scholarship are due to the Wayne County Extension office by **February 15, 2018**.

Outstanding Dairy Youth Award (\$250) nominations are also due February 15, 2017. The nomination forms and more information about this award and scholarship applications are available on the Wayne County Extension web site at: go.osu.edu/DSUScholarship2018

Farm Credit Mid-America Scholarships

We're excited to announce that Farm Credit Mid-America will again offer college scholarships exclusively to the children and grandchildren of customers. The \$1,500 scholarships will be awarded based on academic record, leadership qualities and community involvement. Education is one way to make a difference in our rural communities and agriculture. We can think of no better way to provide that support than investing in young adults who choose to remain at the forefront of the agriculture industry.

The scholarship application deadline is the last day of January. Scholarships will be awarded in June. You can access the application online at e-farmcredit.com (Click on Community, then Scholarships). Scholarships help make higher education possible for many. We hope you take advantage of this opportunity.

NEW Joann Fabric Rewards Card

Current 4-H members, parents of members, volunteers and 4-H staff can save 15% off total in-store and online purchases every day with the new 4-H Rewards card. JOANN will give a minimum of 2.5% of every eligible transaction to support 4-H programming when the card is used at check out. To receive a card visit: <http://www.joann.com/4-h/>

Veterinary Feed Directive (VFD) Info

The FDA implemented a new VFD rule last year which requires producers (i.e. 4-H and FFA livestock exhibitors) to obtain a VFD from their veterinarian in order to purchase certain medicated feeds. More information can be found at go.osu.edu/VFDfacts
