Wayne County 4-H Newsletter

Fair Edition

August / September | 2019

Dear 4-H Members, Parents, and Volunteers:

Progress continues on the construction of the new Wayne County Fair Event Center and the new Livestock Barn. Below are some recent photos.

This issue of THE LINK contains **important information** about the Wayne County Junior Fair. Every 4-H family and FFA livestock exhibitor is receiving this letter.

Please note: **IT IS IMPERATIVE THAT EVERY FAMILY HAVE A COPY AND READ THE WAYNE COUNTY JUNIOR FAIR BOOK.** Copies are available from your 4-H advisor. This is a complete list of rules, guidelines, show dates and times, sale requirements, etc. It is also available on-line at go.osu.edu/JFBook2019

Advisors: please be sure you have handed a fair book to every 4-H member, and members - if you did not receive one, please REQUEST one! **Rules, show times, and other fair details can change from year to year so be sure to read all information in the general rules and under your respective applicable departments.**

As we prepare this month for the fair and during the fair – let us all remember the importance of working together, taking a deep breath when things get tough or stressful, and most of all to take time to have fun, enjoy each other's company and friendship, and to stay positive. We are all a part of 4-H and Jr. Fair because we believe in the incredible learning opportunities available to our youth through this organization. With that in mind, no one is perfect, we are all human and we all make mistakes. So let's be nice to each other and work together to make our fair a successful and enjoyable experience for everyone.

Best wishes for a safe and enjoyable Fair!

Fair Decoration Requirements

The following guidelines are provided by the office of the State Fire Marshall for use in connection with fire safety decoration activities at the fair:

- Paper or cloth suspended or shown in any manner for use in decorations or other purpose shall be specially treated materials to render them flame-resistant. Commercial flame retardants are suggested. Flame-resistant treated crepe paper may be obtained through reputable paper dealers, although it is not recommended.
- Decorative materials such as cotton batting, straw, dry vines, leaves, trees, artificial flowers or shrubbery and foam plastic materials shall not be used for decorative purposes in a building in such a quantity as to constitute a fire hazard. Per 1301:7-703(G)F-305.1OFC
- Decoration Flame-Resistant Solution: 7 oz. Borax + 3 oz. boric acid + 2 quarts hot water. Dissolve the boric acid by making a paste with a small quantity of water. Add this and the Borax to the hot water. Stir until solution is clear. Warm the solution if it becomes cloudy or jelly-like from standing.

Horse Barn Decorations

The Horse Committee and Senior Fair Board would like everyone to work together to keep the horse barns clean and looking nice! Also, please see the Jr. Fair rule book for tack box dimensions.

Please follow these rules:

1. Use ROPE and PLASTIC ZIP-TIES ONLY for hanging decorations, stall cards and pictures, etc. Hooks will be provided for use in stalls. These hooks are not to be removed, nor additional hooks added.
2. No staples, nails, tack, screws, or tape of any kind are to be used.

We ask that advisors, members or parents do not come to the Junior Fair office to look at barn charts before this date. Do not come to decorate prior to this as stall charts may not be available. Buyer Invitations and the 1,2,3 of Marketing Your Project

A “buyer invitation” and other resources including the 1,2,3 of Marketing Your Livestock Project is available for members with market animals or dairy cows and heifers to use with prospective buyers are available on our website at wayne.osu.edu/jrfair. If you have serious potential buyers, have them contact the Extension Office for a pass to get in on sale days. If you are selling a market animal or showing a dairy animal you need to get out and promote the market or dairy products sales.

Sale Photos

Thank you to everyone that uploaded photos of themselves with their market animals. We are excited to display these photos during this year’s livestock auctions. If you decide to bring a different animal (one of your back ups) than what is in the photo you uploaded, please tell the committee member that assists you at check-in on Thursday or Friday before the fair so they can give you instructions for uploading an updated photo. Market Poultry and Market Rabbit exhibitors will have their photos taken immediately after they finish showing their animals on show day at a location near their show arena.

Sale Programs

Sale programs are only printed for the buyers (each buyer receives one program). Members and parents must refer to posted programs in the barn to determine final sale order. Sale programs will also be posted online again this year at the Extension Office website at wayne.osu.edu/jrfair. And we plan to post them in the new Wayne County 4-H mobile app as well.

Selling your Market Animal?

Consider Donating to the Wayne Co. 4-H Scholarship Fund, the Hugh Kline 4-H Endowment Fund, Beef Committee Scholarship Fund or the Wayne County 4-H Youth Development Fund. Pick up a green donation card at the buyer registration table, fill it out, and give it to the auctioneer as you sell your animal.

Announcements during the Livestock Auctions

Please only use the green donation cards provided at the sale to communicate your donations. Auctioneers are highly discouraged from reading letters.

Gifts for Livestock Buyers are Discouraged

Please do not give your livestock buyer a perishable item after selling your animal. Remember buyers sit at the sales for many hours and there can be food safety issues with perishable food items not kept at proper temperatures.

We strongly recommend **NO GIFTS TO BUYERS AT ALL DURING THE FAIR!** Although appreciated, some buyers prefer not to carry these items with them the rest of the evening. Please consider delivering gifts after the fair or sending a holiday card or some other creative idea as an alternative. Just a tip, most buyers appreciate a spoken “thank you” accompanied by a firm handshake and a look in the eye rather than a gift.

Buyer Thank You Notes

Exhibitors selling their animal(s) at the Junior Fair livestock sales **MUST** send a “Thank you” note to the buyer(s) before they receive checks. This thank-you note is to be delivered to the Extension Office **in a stamped, sealed and completely addressed envelope** beginning the Monday after the Fair and no later than one (1) week after the sales!

Checks for the sale of market animals will be sent to members only after a “Thank you” note is presented to the Extension Office. To help you find your buyer’s name and address, the results of the 2019 auction will be posted on our web site at wayne.osu.edu/jrfair. We will **try** to get that list posted on Friday, the day after the auction, or

as soon thereafter as possible. The list will be posted by 4-H/FFA members' names, alphabetically, followed by the member's project(s), the buyer, and the buyer's address. **The thank you note itself must be brought into the Extension Office to be checked off before mailing.**

Award Thank You Notes – New This Year!

All exhibitors who receive a trophy, plaque, or other award items sponsored by a donor are expected to send a Thank You note the sponsor(s). Thank you cards will be provided with your award, please turn in your unsealed thank you card to the Jr. Fair Office or to a special box designated by your livestock committee by the end of the fair. Failure to turn in a thank you card may result in a loss of premium. The name and address of the sponsor can be found on the award. If you cannot find it, contact the Jr. Fair Office.

While you are at it.....

Have you thanked your club's advisors and officers for the guidance they have given you in completing your project this year? And what about your parents? Have you expressed appreciation for the time, money and effort they have put into supporting you through the 4-H year? The Junior and Senior Fair Boards, the 4-H committees, trophy sponsors, the folks at the Extension Office—all of these people have contributed to your success in 4-H. Give them a call or write them a note. They'll love it!
