

## **Wayne/Ashland Dairy Service Unit Scholarship Application**

The Wayne County Dairy Service Unit Scholarship was created to provide financial assistance for those students in Wayne County who desire to further their education beyond the high school level in the field of agriculture with a special interest in the dairy industry.

The number of scholarships and the amount of each scholarship will be determined by the board according to the available funds with at least one scholarship of \$1,000.00. The committee also reserves the right to not award any scholarships in a given year at their discretion.

Each applicant must:

1. Be a resident of Wayne County at the time of application.
2. Have graduated from an accredited high school program or be in their senior year.
3. Applicants should have an agricultural background and show continued interest in the ag industry. Special consideration will be given to those with a dairy background, 4H or FFA dairy involvement or employed by a dairy based business. The applicant should have plans to pursue a career in agriculture.

Any person who meets the above requirements and desires to apply for the scholarship must:
