

Crop-share or Crop-share/Cash Farm Lease

Revised 1998

This form can provide the landlord and tenant with a guide for developing an agreement to fit their individual situation. This form is not intended to take the place of legal advice pertaining to contractual relationships between the two parties. Because of the possibility that an operating agreement may be legally considered a partnership under certain conditions, seeking proper legal advice is recommended when developing such an agreement. For more information see NCR-105, Crop-share or Crop-share/Cash Rental Arrangements for your Farm.
