Wayne County 4-H Newsletter

Fair Edition

August / September | 2020

Dear 4-H Members, Parents, and Volunteers:

Wow, what a year this has been. The COVID19 Pandemic has created a tremendous amount of change for everyone, and while our fair will certainly look and be different in many ways this year, we are grateful that we can move forward with our Junior Fair exhibitions, shows, and auctions. We ask for your grace, patience, flexibility, cooperation, and understanding as we continue to work through the steps necessary to conduct a safe and healthy Junior Fair this year.

This issue of *THE LINK* contains **important information** about the Wayne County Junior Fair. Every 4-H family and FFA livestock exhibitor is receiving this letter.

Please note: IT IS IMPORTANT THAT EVERY FAMILY HAVE A COPY AND READ THE WAYNE COUNTY JUNIOR FAIR BOOK. Copies are available from your 4-H advisor. This is a complete list of rules, guidelines, show dates and times, sale requirements, etc. It is also available online at go.osu.edu/JFBook2020. Please also note that the Jr. Fair Book was published in June and any changes since then have and will continue to be communicated through 4-H email updates and/or the Wayne County 4-H Mobile App.

Advisors: please be sure you have handed a fair book to every 4-H member, and members, if you did not receive one, please REQUEST one! **Rules, show times, and other fair details can change from year to year so be sure to read all information in the general rules and under your respective applicable departments.**

As we prepare this month for the fair and during the fair, let us all remember the importance of working together, taking a step back when things get tough or stressful, and most of all, to take time to have fun, enjoy each other's company and friendship, and to stay positive. We are all a part of 4-H and Jr. Fair because we believe in the incredible learning opportunities available to our youth through this organization. With that in mind, no one is perfect, we are all human and we all make mistakes. So let's be nice to each other and work together to make our fair a successful and enjoyable experience for everyone.

Best wishes for a safe and enjoyable Fair!

NOTE: - Please check your e-mail and/or the 4-H mobile app regularly for updates from now through the end of this year's fair!

Pen Cleaning Policy For Beef, Goats, Horse, Poultry, Rabbit & Swine

Animals are to be fed and watered and pens cleaned at least once a day! (more often if necessary)

Inspection:

- Shall be completed by a minimum of two Beef, Goat, Horse, Poultry/Rabbit or Swine Committee members.
- Inspection shall take place twice a day.
- A written log must be kept and include the following information: exhibitor's name, aisle, pen #, date of first, second, and third warning.
- A list will be maintained on the bulletin boards of the respective barns showing who is in violation and where they stand on warnings (first, second, etc.)
- During inspection, any pen found to be wet, have excessive manure, or be emitting foul odor will be considered in violation and receive a warning. (Horse: a violation is also considered if the project animal is not being properly fed and watered EACH DAY).
- When a warning is issued, the pen will be posted with a card advising of such and which warning it is (first, second, etc.).
- Goat, Poultry, Rabbit, Sheep, and Swine project exhibitors must clean their animal's pens after they leave or are sold.

Discipline:

- First offense: Pen will be tagged advising first warning - clean pen now.
- Second offense: Pen will be tagged advising second warning - clean pen now.
- Third offense: Pen will be tagged advising third and final warning.
- If pen is still found to be in violation on the inspection following the third warning, the exhibitor will not be allowed to show or sell his or her project at the fair. The exhibitor also will not be allowed to exhibit that same

project the year following the violation at the Wayne County Fair. (Horse: if stall has not been cleaned or the animal has not been fed or watered).

T-Shirt Sales

Junior Fair t-shirts will be sold at the Junior Fair office during the week of the fair. T-shirts are \$18.00 (extended sizes slightly more) - all proceeds go to defray Junior Fair expenses.

Fan Use in the Barns

Steers are limited to one 24" fan per animal. Ice bottles are a great alternative to keep poultry and rabbits cool.

Beef Projects

On steer and breeding beef show days, members may bring their grooming chutes into the barn area. Chutes must be taken home at the end of show day.

During fair week, the two beef champions and the two dairy champions may leave their chutes in the barn area. Up to three more chutes (total of seven) may be brought into the barn area; however, all beef exhibitors are to use these seven chutes throughout the week. Members wanting to bring in their own chutes for the week must get permission from the beef committee. The grooming area will be extended to the area in front of the Coliseum and the beef barn to allow for appropriate social distancing.

Junior Fair Livestock Auction

This year we will be holding an in-person livestock auction, with the option of phone-in bidding. If a potential buyer wishes to participate in call-in bidding, they will need to contact the Junior Fair office to make those arrangements before the auction. Custom processing will only be available to those buyers who previously scheduled a processor with the Junior Fair office, but all potential buyers are welcome to purchase livestock on a turn basis. The auction will be live streamed this year! Check your News & Notes email and the Wayne County 4-H app for information on live stream links.

Sale Programs

Sale programs are only printed for the buyers (each buyer receives one program). Members and parents must refer to posted programs in the barn to determine final sale order. Sale programs will also be posted online again this year at the Extension Office website at wayne.osu.edu/jrfair and in the 4-H mobile app.

Selling Your Market Animal?

Please consider donating to the Wayne Co. 4-H Scholarship Fund, the Davey Devore Memorial Fund, the Event Center Building Fund, Beef Committee Scholarship Fund, or the Wayne County 4-H Youth Development Fund! Pick up a green donation card at the buyer registration table, complete it, and give it to the auctioneer as you sell your animal.

Gifts for Livestock Buyers are Discouraged

Please do not give your livestock buyer a perishable item after selling your animal. Remember buyers sit at the sales for many hours and there can be food safety issues with perishable food items not kept at proper temperatures. We strongly recommend **NO GIFTS TO BUYERS AT ALL DURING THE FAIR!** Although appreciated, some buyers prefer not to carry these items with them the rest of the evening. Please consider delivering gifts after the fair or sending a holiday card or some other creative idea as an alternative. Just a tip, most buyers appreciate a spoken "thank you" accompanied by a firm handshake and a look in the eye rather than a gift.

Check Out Times

Any animals or tack that can be walked off the grounds may leave beginning at 6:00 PM on Thursday. Trailer parking will be permitted in the infield. Cattle may be walked to their trailers starting at 6:00 PM. Trailers will be allowed on the grounds for check-out at 8:00 PM on Thursday. Horses may be trailered in and out daily as needed.

AFTER THE FAIR

Wayne County Junior Fair Clean-up Night

Calling our Wayne County 4-H TEAM (Together Each Accomplishes Much)! All members, advisors, parents, committee members and friends are encouraged to come join the fun on **Tuesday, Sept 22 and Sept 29 from 6 - 8 pm** at the Jr Fair Office. Senior Fair Board members will lead work teams to accomplish jobs at all skill levels. Pizza and drink will be provided at 8 pm on September 22nd for all the workers. Bring gloves, screwdrivers, pliers, trucks, and your enthusiasm!

2021 4-H Action Committee and Advisory Committee Applications

Have you ever considered serving on a committee? 4-H Action Committee and Advisory Committee applications are available online at <https://wayne.osu.edu/program-areas/4-h-youth-development/forms-and-applications>. Applications are due October 5th.

Buyer Thank You Notes

Exhibitors selling their animal(s) at the Junior Fair livestock sales **MUST** send a thank you note to the buyer(s) before they receive checks. This thank you note is to be delivered to the Extension Office **in a stamped, sealed and completely addressed envelope** beginning the Monday after the Fair and no later than one (1) week after the sales!

Checks for the sale of market animals will be sent to members only after a thank you note is presented to the Extension Office. To help you find your buyer's name and address, the results of the 2020 auction will be posted on our web site at wayne.osu.edu/jrfair. We will **try** to get that list posted on Friday, the day after the auction, or as soon thereafter as possible. The list will be posted by 4-H/FFA members' names, alphabetically, followed by the member's project(s), the buyer, and the buyer's address. **The thank you note must be brought into the Extension Office to be checked off and will be mailed by Extension staff.**

Award Thank You Notes

All exhibitors who receive a trophy, plaque, or other awards sponsored by a donor are expected to send a thank you note the sponsor(s). Thank you cards will be provided with your award - please turn in your unsealed thank you card to the Jr. Fair Office or to a special box designated by your livestock committee by the end of the fair. The name and address of the sponsor can be found on the award. If you cannot find it, contact the Jr. Fair Office.

While you're at it.....Thank your Club Leaders!

Have you thanked your club's advisors and officers for the guidance they have given you in completing your project this year? And what about your parents? Have you expressed appreciation for the time, money and effort they have put into supporting you through the 4-H year? The Junior and Senior Fair Boards, the 4-H committees, trophy sponsors, the folks at the Extension Office—all of these people have contributed to your success in 4-H. Give them a call or write them a note. They'll love it!
