Wayne County 4-H Newsletter

Fair Edition

August / September | 2021

Dear 4-H Members, Parents, and Volunteers:

This issue of *THE LINK* contains **important information** about the Wayne County Junior Fair. Every 4-H family and FFA livestock exhibitor is receiving this letter.

Please note: IT IS IMPORTANT THAT EVERY FAMILY READ THE WAYNE COUNTY JUNIOR FAIR BOOK. This is a complete list of rules, guidelines, show dates and times, sale requirements, etc. It is also available online at go.osu.edu/JFBook2021. Please also note that the Jr. Fair Book was published in June and any changes since then have and will continue to be communicated through 4-H email updates and/or the Wayne County 4-H Mobile App.

Rules, show times, and other fair details can change from year to year so be sure to read all information in the general rules and under your respective applicable departments.

As we prepare this month for the fair and during the fair, let us all remember the importance of working together, taking a step back when things get tough or stressful, and most of all, to take time to have fun, enjoy each other's company and friendship, and to stay positive. We are all a part of 4-H and Jr. Fair because we believe in the incredible learning opportunities available to our youth through this organization. With that in mind, no one is perfect, we are all human and we all make mistakes. So let's be nice to each other and work together to make our fair a successful and enjoyable experience for everyone.

Best wishes for a safe and enjoyable fair!

Douglas S. Foxx
Extension Educator,
4-H Youth Development
And Jr. Fair Superintendent

NOTE: - Please check your e-mail and/or the 4-H mobile app regularly for updates from now through the end of this year's fair!

Members are not permitted to change stall assignments. If there is a serious issue, please contact your department's committee members present in the barn to help you find your department's committee chair.

Fair Decoration Requirements

The following guidelines are provided by the office of the State Fire Marshal for use in connection with fire safety decoration activities at the fair:

- We are requesting that barn decorations be minimal, and that they are tightly secured.
- Paper or cloth suspended or shown in any manner for use in decorations or other purpose shall be specially treated materials to render them flame-resistant. Commercial flame retardants are suggested. Flame-resistant treated crepe paper may be obtained through reputable paper dealers, although it is not recommended.
- Decorative materials such as cotton batting, straw, dry vines, leaves, trees, artificial flowers or shrubbery and foam plastic materials shall not be used for decorative purposes in a building in such a quantity as to constitute a fire hazard. Per 1301:7-703(G)F-305.1OFC
- Decoration Flame-Resistant Solution: 7 oz. Borax + 3 oz. boric acid + 2 quarts hot water. Dissolve the boric acid by making a paste with a small quantity of water. Add this and the Borax to the hot water. Stir until solution is clear. Warm the solution if it becomes cloudy or jelly-like from standing.

Horse Barn Decorations

The Horse Committee and Senior Fair Board would like everyone to work together to keep the horse barns clean and looking nice! Also, please see the Jr. Fair rule book for tack box dimensions.

Please follow these rules:

1. Use ROPE and PLASTIC ZIP-TIES ONLY for hanging decorations, stall cards and pictures, etc. Hooks will be provided for use in stalls. These hooks are not to be removed, nor additional hooks added.
2. No staples, nails, tack, screws, or tape of any kind are to be used.

Pen Cleaning Policy For Beef, Goats, Horse, Poultry, Rabbit & Swine

Animals are to be fed and watered and pens cleaned at least once a day! (more often if necessary)

Inspection:

- A) Shall be completed by a minimum of two beef, goat, horse, poultry/rabbit, or swine committee members.
- B) Inspection shall take place twice a day.
- C) A written log must be kept and include the following information: exhibitor's name, aisle, pen #, date of first, second, and third warning.
- D) A list will be maintained on the bulletin boards of the respective barns showing who is in violation and where they stand on warnings (first, second, etc.)
- E) During inspection, any pen found to be wet, have excessive manure, or be emitting foul odor will be considered

in violation and receive a warning. (Horse: a violation is also considered if the project animal is not being properly fed and watered EACH DAY).

F) When a warning is issued, the pen will be posted with a card advising of such and which warning it is (first, second, etc.).

G) Goat, poultry, rabbit, sheep, and swine project exhibitors must clean their animal's pens after they leave or are sold.

Discipline:

A) First offense: Pen will be tagged advising first warning - clean pen now.

B) Second offense: Pen will be tagged advising second warning - clean pen now.

C) Third offense: Pen will be tagged advising third and final warning.

D) If pen is still found to be in violation on the inspection following the third warning, the exhibitor will not be allowed to show or sell his or her project at the fair. The exhibitor also will not be allowed to exhibit that same project the year following the violation at the Wayne County Fair. (Horse: if stall has not been cleaned or the animal has not been fed or watered).

Fan Use in the Barns

Steers are limited to one 24" fan per animal. Ice bottles are a great alternative to keep poultry and rabbits cool.

Beef Projects

On steer and breeding beef show days, members may bring their grooming chutes into the barn area. Chutes must be taken home at the end of show day.

During fair week, the two beef champions and the two dairy champions may leave their chutes in the barn area. Up to three more chutes (total of seven) may be brought into the barn area; however, all beef exhibitors are to use these seven chutes throughout the week. Members wanting to bring in their own chutes for the week must get permission from the beef committee.

Junior Fair Livestock Auction

This year we will be holding an in-person livestock auction, with the option of phone-in bidding. If a potential buyer wishes to participate in call-in bidding, they will need to contact the Junior Fair office to make those arrangements before the auction. Custom processing will only be available to those buyers who previously scheduled a processor with the Junior Fair office, but all potential buyers are welcome to purchase livestock on a turn basis. The auction will be live streamed this year! Check your News & Notes email and the Wayne County 4-H app for information on live stream links during the fair.

Sale Programs

Sale programs are only printed for the buyers (each buyer receives one program). Members and parents must refer to posted programs in the barn to determine final sale order. Sale programs will also be posted online again this year at the Extension Office website at wayne.osu.edu/jrfair and in the 4-H mobile app.

Selling Your Market Animal?

Please consider donating to the Wayne Co. 4-H Scholarship Fund, the Davey Devore Memorial Fund, the Event Center Building Fund, Beef Committee Scholarship Fund, or the Wayne County 4-H Youth Development Fund! Pick up a green donation card at the buyer registration table, complete it, and give it to the auctioneer as you sell your animal.

Gifts for Livestock Buyers are Discouraged

Please do not give your livestock buyer a perishable item after selling your animal. Remember buyers sit at the sales for many hours and there can be food safety issues with perishable food items not kept at proper temperatures. We strongly recommend **NO GIFTS TO BUYERS AT ALL DURING THE FAIR!** Although appreciated, some buyers prefer not to carry these items with them the rest of the evening. Please consider delivering gifts after the fair or sending a holiday card or some other creative idea as an alternative. Just a tip, most buyers appreciate a spoken “thank you” accompanied by a firm handshake and a look in the eye rather than a gift.

Check Out Times

Any animals or tack that can be walked off the grounds may leave beginning at 9:30 PM on Thursday. Livestock being trucked off the grounds are released at 10:00 PM, and large animals being walked off the grounds are released at 11:00 PM on Thursday.

AFTER THE FAIR

This thank you note is to be delivered to the Extension Office **in a stamped, sealed and completely addressed envelope** beginning the Monday after the Fair and no later than one (1) week after the sales!

Checks for the sale of market animals will be sent to members only after a thank you note is presented to the Extension Office. To help you find your buyer's name and address, the results of the 2021 auction will be posted on our web site at wayne.osu.edu/jrfair. We will **try** to get that list posted on Friday, the day after the auction, or as soon thereafter as possible. The list will be posted by 4-H/FFA members' names, alphabetically, followed by the member's project(s), the buyer, and the buyer's address. **The thank you note must be brought into the Extension Office to be checked off and will be mailed by Extension staff.**
